Ottumwa Symphony Youth Orchestra is a fantastic opportunity for all skill levels. The OSYO is not simply rehearsal-based, but also education-based. We go over topics such as music theory, music history, composers, genre breakdowns while also giving the orchestra an opportunity to meet other instrumental players in the area. The OSYO is also a great opportunity for leadership and exposure to both classical and contemporary repertoire. We hope to see you at our next rehearsal! - Jaymes Winn, OSYO Director
